Request For Proposal Wireless Access Points Expansion 1/27/15

Background

Detroit Academy of Arts & Sciences current has Aerohive WiFi APs deployed. However, our growth is requiring us to expand the current WiFi APs in few more locations.

What We Are Looking For:

We need up to 10 additional APs deployed.
Following tasks are part of this RFP

- 10 Aerohive Access Points
- Configuration of Access Points with current Network Infrastructure
- Integrate these APs in Hive Manager
- Dedicated data wiring from each location to the patch panel

Any interest party's response to this RFP can be forwarded to Detroit Academy of Arts & Sciences's CEO, Maurice Morton, via email: mmorton@daask12.com.

All responses must be received by March 1, 2015.
