DAAS ATHLETICS

by Coach D. Walker

DAAS Jaguars !!!

Cheers to the boys JV and Varsity basketball teams at DAAS. They represented themselves, their families, and DAAS with PRIDE the entire season. The JV team had their struggles in the win / lose column however, the in game experience, the potential, and the wherewithal to get better is there, the future is bright! As for the Varsity team, I really don't know where to start. I will just say this, we had exactly one week to prepare for our season with a bunch of guys who had never played basketball competitively. Well the season ended for the Varsity team in the semi-finals. I must say as their coach this team accomplished more with less than any team I've ever been associated. I'd like to end by saying how proud I am to have been their coach and we all should be, like stated earlier they represented themselves with plenty of DAAS pride and I personally couldn't be prouder. Big ups to both teams!!!!
