**Tips & Information**

Labor Day, the first Monday in September, constitutes a yearly national tribute to the contributions workers have made to the strength, prosperity, and well-being of our country. The first unofficial Labor Day holiday was celebrated on Tuesday, September 5, 1882, in New York City. On June 28th, 1894 the first Monday in September was declared Labor Day by President Grover Cleveland. Labor Day is not only celebrated in the United States, but also Canada and other industrialized nations. This day for some is a day to relax and enjoy the end of summer & the beginning of another GREAT YEAR OF LEARNING!!!
